Navigate to <https://www.isc2.org/certifications/cc>

A screenshot of the ISC2 website. At the top, there is a navigation bar with links for 'Get Started', 'Training', 'Certification', 'Continuing Education', 'Members', 'Enterprise / Partners', 'Communities', and 'About Us'. A search bar and a 'Register for exam' button are also present. The main content area features a large green banner with the text 'CC - Certified in Cybersecurity'. Below the banner are two buttons: 'Free Exam and Training' and 'Purchase eTextbook'. On the left side of the banner, there is a graphic of a white square containing the letters 'CC' with a 'SM' superscript, all set against a green background. The bottom of the page has a white footer section with some small icons.

A screenshot of the ISC2 website under the heading 'ISC2 Pledges One Million FREE ISC2 Certified in Cybersecurity Courses and Exams'. The page features a message about the commitment to building a more robust, resilient, and diverse cybersecurity workforce. It includes a section titled 'Start Your Journey' with steps for participation, a list of 4 numbered steps with corresponding actions, and a 'Get Started' button. At the bottom, there's a note about training bundles and a 'Get Started' button. The page also includes language selection options at the top right: English, 日本語, 简体中文, Deutsch, and español.

4

Click "Certified in Cybersecurity"

The screenshot shows a user interface for selecting certifications. On the left, under 'Available Certification of Interest', there is a single option: 'Not sure at this time'. On the right, under 'Selected Certification of Interest', several options are listed: Certified Secure Software Lifecycle Professional, Certified in Governance, Risk and Compliance, Certified Cloud Security Professional, Certified Information Systems Security Professional, Systems Security Certified Practitioner, and Certified in Cybersecurity. The 'Certified in Cybersecurity' option is highlighted with a blue background and a yellow circle around it. Below this section, there is a question 'How did you hear about the ISC2 Candidate program?' with a dropdown menu showing 'ISC2 email'. There is also a question 'Are you a member of an ISC2 Chapter?' with radio buttons for 'Yes' and 'No', where 'No' is selected. At the bottom right of the form is a green 'Next' button.

5

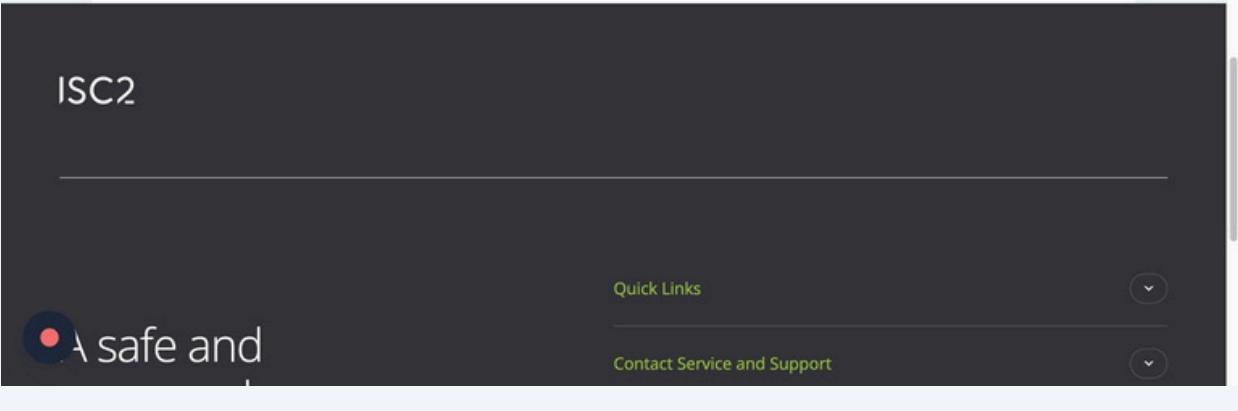

Click "Next"

This screenshot is identical to the one above, showing the same application form. The 'Certified in Cybersecurity' option is still highlighted with a blue background and a yellow circle. The 'Next' button at the bottom right is now also highlighted with a yellow circle.

Redeem Your Free Certified in Cybersecurity Exam

Ready for the exam? When you've made the most of the training options, including the free self-paced training and you're confident it's time, register for your exam for free. Then set a reminder on your calendar — if you miss the exam on your scheduled date, you will be unable to register for another free exam.

How to register for your free ISC² CC exam:

1. Visit <https://my.isc2.org/s/ISC2-Pearson> to create your exam account with Pearson VUE, global administrator of ISC² exams.*
2. You will be prompted to affirm the accuracy of your information before submitting the form.
3. Upon submission, your account will be created with Pearson VUE and you will be redirected to their site.
4. Click View Exams and select Certified in Cybersecurity (CC).
5. Select your exam language and review the [Exam Policies](#).
6. Choose your testing location and schedule your exam. We have a wide range of centers to ensure there is sufficient availability.
7. At checkout your total will automatically update to U.S. \$0, as an ISC² Candidate.

Each ISC² Candidate is eligible for one free registration. You must be an ISC² Candidate to sit for free, all future CC registrations in your name must be purchased at cost. You may reschedule your exam appointment within 48 hours of your scheduled exam through Pearson VUE without the risk of forfeiting your free exam.

***Please be advised that creating multiple accounts to sit for multiple free exams is in violation of ISC² exam policies and may nullify your exam results and/or result in a temporary or permanent ban from ISC² exams.**

This screenshot shows the 'Accommodations Policy' page. It contains a list of bullet points about the benefits of Computer-Based Testing, information on requesting accommodations, and a link to frequently asked questions. A large orange circle highlights the 'Agree' button at the bottom right of the page.

One of the benefits to candidates taking an examination via Computer-Based Testing is that most candidates receive their scores immediately upon completing their examination. In some cases, ISC2 must conduct periodic psychometric analyses prior to releasing exam results. For the small number of candidates affected by this process, it is expected that candidates will receive their results within 6 -8 weeks following the exam.

ISC2 offers two types of computer-based exams – linear and adaptive – however neither exam type allows for candidates to skip an item, nor can items be returned to later during administration. Once an answer is confirmed it cannot be changed, reviewed, or revisited.

Frequently asked questions (FAQs) and answers for common inquiries that can be found here: <https://www.isc2.org/Frequently-Asked-Questions>.

Accommodations Policy

ISC2 provides reasonable and appropriate accommodations for people who have a documented need for exam accommodations. Accommodations must be requested and approved by ISC2 prior to scheduling your examination. If you wish to request an accommodation, please visit <https://www.isc2.org/Register-for-Exam> and look under the Requesting Special Accommodations tab for information and instructions on how to request an accommodation. Test accommodations are individualized and considered on a case-by-case basis. Once an accommodation is approved, ISC2 will inform the Pearson VUE Accommodations team. Please allow up to three business days for Pearson VUE to receive this information. Then, contact Pearson VUE, so you can schedule your exam, contact information can be found at www.pearsonvue.com/isc2/contact.

Accommodations are not a guarantee of improved performance or exam completion. Once an initial exam appointment is scheduled, there may be a US\$50 fee to reschedule an exam with an approved accommodation.
